MATERIALS:

5.5 mm and 6 mm circular knitting needles (or other, depending on your tension square)
Stitch markers
Yarn needle
6 mm crochet hook (for the fringes)

Abbreviations and STITCHES:

St(s) = stitch(es)
K1 = knit 1 st
P1 = purl 1 st
inc = increase(s)
dec = decrease(s)

K1/P1 rib: K1, P1 to the end of the row. In the next row, work the sts as they are presented on the needle (i.e. K1 above a K1 or P1 above a P1 in the previous row).

Pattern stitch stripes:
1st, 2nd, 3rd and 4th rows: using AMETHYSTE, knit to the end of the row
5th row: using VIEUX ROSE (2 strands together), insert the right-hand needle in the st as if to knit, wind the yarn 3 times around the right-hand needle to knit the st; continue in this way on all the sts
6th row: using VIEUX ROSE (2 strands together), knit all the sts, inserting the needle in the 1st loop and allowing the other 2 loops to slip off the needle
These 6 rows for the pattern st.

INSTRUCTIONS

Follow the instructions in the color that corresponds to the size you are knitting.

If you are less than 170 cm tall, we recommend you follow the measurements in parentheses, as the garment stretches over time.

BACK

Step 1: Using 6 mm needles and AMETHYSTE, cast on 107 - 115 - 124 sts and work in pattern st stripes (see STITCHES) for 48 (38) cm.

Step 2: Place a marker on the 1st st and another marker on the last st in the row to indicate the armholes.

Step 3: Continue in pattern st stripes.

Step 4: When your work measures 78 (68) - 79.5 (69.5) - 81 (71) cm from the beginning, shape the neck. Bind off the center 9 - 9 - 10 sts, then finish 1 side at a time. On the neck edge, bind off 8 sts once.

Step 5: When your work measures 80 (70) - 81.5 (71.5) - 83 (73) cm from the beginning (2 - 4 - 6 rows in AMETHYSTE have been worked), bind off the remaining 41 - 45 - 49 sts.

Finish the other side of the neck.

FRONT

Step 1: Using 6 mm needles, cast on 107 - 115 - 124 sts and work in pattern st stripes (see STITCHES) for 48 (38) cm.

Step 2: Place a marker on the 1st st and another marker on the last st in the row to indicate the armholes.

Step 3: Continue in pattern st stripes.

Step 4: When your work measures 75 (65) - 76.5 (66.5) - 78 (68) cm from the beginning, shape the neck. Bind off the center 7 - 7 - 8 sts, then finish 1 side at a time. On the neck edge, bind off 3 sts 3 times.

Step 5: When your work measures 80 (70) - 81.5 (71.5) - 83 (73) cm from the beginning (2 - 4 - 6 rows in AMETHYSTE have been worked). Bind off the remaining 41 - 45 - 49 sts.

Finish the other side of the neck.

POLO NECK

Step 1: Using 5.5 mm needles and AMETHYSTE, cast on 111 - 111 - 117 sts and work in K1/P1 rib, beginning and ending the 1st row with K2.

Step 2: When your work measures 12 cm from the beginning, place a marker on the 1st st and another marker on the last st in the row to indicate the seams.

Step 3: When your work measures 18 cm from the beginning, bind off all the sts.

MAKE UP

Step 1: Place the Back and Front together with right sides facing. Sew the shoulder seams, using backstitch and following the green lines in the diagrams.

Step 2: Sew the side seams, using concealed stitching and following the blue lines in the diagrams.

Step 3: Place the wrong side of the polo neck around the neckline on the right side of your work, placing the edges (= P2) to the neckline on the right (see point C in the diagram).

Step 4: Join the polo neck using concealed stitching, only over 6 cm (see the placement of the markers).

Step 5: Make fringes by cutting strands of 42 (38) cm; cut 1 strand of AMETHYSTE and 2 strands of VIEUX ROSE.

On the wrong side of your work, insert a crochet hook in the first st of the first row, then through the loop formed by folding the strands in half; then without removing the hook, pass this loop through the st. Then slip the ends of the strands through the loop just formed and pull to tighten. Make a fringe in each st. Finally, trim the fringes to 20 (18) cm.
