KNITTING THE PATTERN

With your 8 mm circ. needles, CO (cast on) 63 sts., PM at the 1st st. to indicate BOR (beginning of round). Join in the round and knit in stockinette.

At a tot. height of 7 cm, distribute 14 decreases in the following way:
Knit *K3, K2tog, K2, K2tog*, repeat from * to * 7 times total.

We now have 49 sts. remaining.

At a tot. height of 14 cm, BO the 9 central sts. (front middle).

Cont. back and forth on the 40 sts. remaining for the hood.

At a tot. height of 40 cm, round off the shape in the following way;
separate the work in 2 and cont. working one side at a time, leaving the other sts. on hold (using your stitch holder or a piece of scrap yarn). BO on the separating side, 1 x 1 sts. then every 2nd rw: 2 x 2 sts. and 1 x 3 sts.

BO the remaining 12 sts.

Repeat the same steps for the sts. on hold.

SEAMING

Seam the hood closed (sts. bound off on top of the hood).

Drawstring and casing (around the face):

With you 7 mm circ. needles, pick up 68 sts. around the front opening (for the face). Knit in 1/1 ribbing, PM for the BOR (beginning of round, the 1st st.).

At a tot. height of 8 cm, BO all sts. loosely.

Fold the casing and seam it to the inside of the hood.

With your 8 mm crochet hook, make a 150 cm long drawstring, using chain stitches. Slide the drawstring into the casing, by moving 1 st. under the chin, then bring it out by moving another st. (see photo).
