CHLOÉ SWEATER

T23 - 441

Level Your first project

Estimated time less than
10 hours to finish

To knit this sweater, you'll need:

Size 34/36: 7 skeins of PHIL PARTNER 6 in the colourway AMANDE or ECRU or NUDE or PIN

Size 38/40: 7 skeins of PHIL PARTNER 6 in the colourway AMANDE or ECRU or NUDE or PIN

Size 42/44: 8 skeins of PHIL PARTNER 6 in the colourway AMANDE or ECRU or NUDE or PIN

Size 46/48: 9 skeins of PHIL PARTNER 6 in the colourway AMANDE or ECRU or NUDE or PIN

Size 50/52: 10 skeins of PHIL PARTNER 6 in the colourway AMANDE or ECRU or NUDE or PIN

Yarn composition: 50 % Polyamide - 25 % Worsted Wool - 25 % Acrylic

Tools & Materials needed:

1 PPY crochet hook n° 6 (6 mm), or other size following your gauge swatch.

Stitch markers

1 tapestry needle

Gauge swatch & obtaining the right dimensions for your sweater:

When making your gauge swatch, it's always best to do so "in pattern". For this model we'll be doing: (UK:) Treble crochet (tr) / (US:) Double crochet (dc), using your 6 mm crochet hook. Your finished gauge swatch should measure 12 tr/dc and 15 rows = a 10 cm wide and 20 cm tall rectangle.

CONSTRUCTION

The different size options have been colour-coded in order to help you follow the instructions for the size you wish to crochet with more ease. Since UK and US crochet terminology differs, these have also been colour-coded. Choose what you're most familiar with; **UK** / **US**.

CROCHETING THE BACK PIECE

Step 1: With your 6 mm crochet hook, make a starting chain of 52 - 56 - 60 - 66 - 72 chain stitches (ch sts.).

Step 2: Ch 3, then make a tr / dc on the 5th ch sts. from your crochet hook. To make a tr / dc: Wrap the yarn over your crochet hook, insert your hook into the stitch, wrap the yarn over the hook and pull it through the stitch, we now have 3 loops. Wrap the yarn over the hook again and pull through the first 2 loops, once again wrap the yarn over your hook and pull through the 2 remaining loops. We've now done one tr / dc. Continue making tr / dc sts. until the end of your starting chain.

Step 3: Continue working in tr / dc sts., starting each row with ch 3 (replacing the 1st tr / dc st. of every row), continue like this until you've reached a tot. height of 24 cm.

Step 4: PM (place stitch marker) on the first and last tr / dc st. of your row, to indicate the seams for the sleeves.

Step 5: Continue working in tr / dc sts. until you've reached a tot. height of 42 - 43 - 44 - 45 - 46 cm. Cut the yarn and pass it through your last crochet loop, pull it tight to secure your work.

Step 6: PM after the 8th - 10th - 12th - 15th - 18th st. from each side (2 markers tot.), indicating the end of the shoulder seams.

CROCHETING THE FRONT PIECE

Knit the front piece in the same way.

SEAMING & FINISHING TOUCHES

Step 1: Place the back and front pieces right sides together. Sew the shoulders together using the whip stitch (until you reach the stitch markers you placed earlier), following the green lines on the pattern illustration.

Step 2: Seam the sides together using the whip stitch, following the blue lines in the pattern illustration.

All measurements are indicated in cm
