Composition: 100% cotton

MATERIALS:

In the PPY range:

3 mm circular knitting needle (or other, depending on your tension squares)

Stitch markers

Yarn needle

STITCHES:

Circular openwork stitch (see chart)

Openwork stitch on the sleeves (see chart)

Seed stitch and openwork stitch for the edging (see chart)

INSTRUCTIONS

Follow the instructions in the color that corresponds to the size you are knitting.

SQUARE

Step 1: Using 3 mm needles, cast on 8 sts. Place a marker after the 2nd, 4th, 6th and 8th sts, then close the round and work in circular openwork st (see the corresponding chart), working the sts and rows in the chart between each marker.

Step 2: When the 38 - 40 - 40 - 42 - 42 rows in the chart are finished, bind off all the sts.

BACK

Step 1: Make 4 identical squares.

Step 2: Using 3 mm needles, cast on 121 - 129 - 137 - 153 - 169 sts, then work in seed st and openwork st for the edging, following the corresponding chart and beginning with the 1st st in the chart.

When the 18 - 14 - 18 - 14 - 18 rows in the chart are finished, bind off all the sts.

Step 3: Join the 4 squares together (see the diagram for assembly).

Step 4: Using 3 mm needles, pick up 105 - 113 - 113 - 121 - 121 sts on each side of the Back. Work in pattern st (see chart for the edging), beginning with the 1st st and 9th row in the chart. Repeat from the 9th to 14th row.

When your work measures 2 - 2.5 - 4.5 - 6 - 9 cm from the beginning, bind off all the sts.

Step 5: Graft the edging to the bottom of the Back.

Step 6: When your work measures 27 cm from the beginning, place a marker on both selvage sts (to indicate the armholes).

Step 7: Place a marker at the top of the Back, 10 - 11.5 - 13.5 - 15.5 - 18.5 cm from each edge (to indicate the neck).

FRONT

Work as for the Back.

SLEEVES

Step 1: Using 3 mm needles, cast on 73 - 81 - 81 - 89 - 89 sts, then work in seed st and openwork st for the edging, following the corresponding chart and beginning with the 1st st in the chart.

When the 18 rows in the chart are finished, bind off all the sts.

Step 2: Using 3 mm needles, cast on 84 - 88 - 94 - 100 - 104 sts, then work in openwork st for the sleeves (see chart), beginning with the 13th - 11th - 8th - 5th - 3rd st in the chart. Important, at the beginning of the row, replace the yo and decreases with knit sts.

Step 3: Increase on each edge (keeping the pattern correct whenever possible):

every 16 rows, inc 1 st 9 times

14 rows higher, inc 1 st once and every 16 rows, inc 1 st 8 times

every 14 rows, inc 1 st twice and every 16 rows, inc 1 st 7 times

every 14 rows, inc 1 st 4 times and every 16 rows, inc 1 st 5 times

every 14 rows, inc 1 st 8 times and 16 rows higher, inc 1 st once

Total sts: 102 - 106 - 112 - 118 - 122 sts

Step 4: When your work measures 45 - 44 - 43.5 - 42 - 40 cm from the beginning, bind off all the sts.

Step 5: Graft the edging to the bottom of the sleeve.

Make the other sleeve in the same way.

MAKE UP

Step 1: Sew the shoulder seams up to the stitch markers.

Step 2: Join the top of the sleeves between the markers on the Back and Front.

Step 3: Sew the seams for the sides and sleeves.
