2nd round: alternate K1, P1
These 2 rounds form the stitch

Openwork diamond pattern (see chart)

INSTRUCTIONS

Follow the instructions in the color that corresponds to the size you are knitting.

Work the yoke in the round, beginning at the center Back and working from top to bottom.
Then divide your work to knit the Back/Front in the round, then work the sleeves also in the round.
To finish, pick up stitches from around the neck and work the neckband.

YOKE

Step 1: Using a 3.5 mm circular needle, cast on 152 - 152 - 152 - 160 - 160 sts. Place a marker to indicate the beginning of the round and center Back. Close the round without introducing a twist.

Knit 1 round (= setup round that does not count in the pattern, it will be used to pick up sts for the neckband).

Step 2: Work in openwork diamond pattern and st st, following the chart for the yoke; when increasing, begin with the 1st st in the chart.

Work from the 1st to 9th st, repeat the 19 - 19 - 19 - 20 - 20 sts in the frame 7 times, then work from the 29th - 29th - 29th - 30th - 30th to the 38th - 38th - 38th - 40th - 40th st in the chart.

Work the 72 - 78 - 78 - 86 - 86 rows in the chart (Total: 480 - 528 - 576 - 624 - 704 sts)

Step 3: Change to circular broken rib st (see STITCHES) on all the sts until your work measures 21 - 22 - 23 - 24.5 - 25 cm from the beginning.

LOWER BODY

Step 1: Work the first 68 - 74 - 80 - 86 - 96 sts (back section), leave the following 104 - 116 - 128 - 140 - 160 sts on a holder for the 1st sleeve, work the following 136 - 148 - 160 - 172 - 192 sts for the Front, leave the following 104 - 116 - 128 - 140 - 160 sts on a holder for the 2nd sleeve, then work the last 68 - 74 - 80 - 86 - 96 sts for the other back section.

Total: 272 - 296 - 320 - 344 - 384 sts

Step 2: Work in circular broken rib st on all the sts for 29 cm.

Step 3: Change to a 3 mm circular needle and work in K1/P1 circular rib for 2.5 cm.

Step 4: Bind off all the sts.

SLEEVES

Step 1: Using a 3.5 mm circular needle, pick up the 104 - 116 - 128 - 140 - 160 sts left on a holder for 1 sleeve.

Step 2: Place a marker at the center below the armhole, then work in circular broken rib st.

Step 3: Decrease on either side of the marker:
every 10 rds, dec 1 st twice, then every 8 rds, dec 1 st 14 times
every 8 rds, dec 1 st 10 times, then every 6 rds, dec 1 st 9 times
8 rds higher, dec 1 st once, then every 6 rds, dec 1 st 21 times
every 6 rds, dec 1 st 18 times, then every 4 rds, dec 1 st 7 times
every 6 rds, dec 1 st 4 times, then every 4 rds, dec 1 st 28 times

Total: 72 - 78 - 84 - 90 - 96 sts

Step 4: Change to a 3 mm circular needle and work in K1/P1 circular rib, evenly decreasing 24 sts in the 1st round.

Step 5: When your work measures 3 cm from the beginning of the K1/P1 rib, bind off the remaining 48 - 54 - 60 - 66 - 72 sts.

Work the other sleeve in the same way.

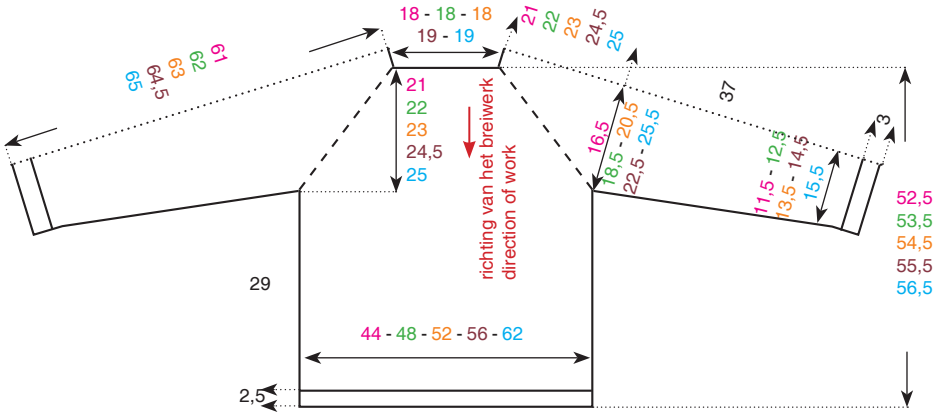

MAKE UP

Step 1: Using a 3 mm circular needle, pick up (on the RS) 130 - 130 - 130 - 138 - 138 sts around the neck, then close the round. Place a marker to indicate the beginning of the round.

Work in K1/P1 circular rib for 8 cm, then bind off all the sts.

Step 2: Weave in the ends.
